### UHR RECEIVES GRANT FROM ORANGE AND ROCKLAND

NEW CITY— United Hospice of Rockland (UHR) Assistant Director of Development Lisa Denburg announced the receipt of a \$500 grant from Orange and Rockland. The grant is to be used to support UHR's Healing Hearts Bereavement Program.

Lisa Denburg said, "We greatly appreciate the recognition and continued support we receive from Or-

ange and Rockland Utilities, Inc." Healing Hearts, a family bereavement program of United Hospice of Rockland (UHR), provides the time and continuity necessary to enable children, teens, and adults to progress at their own pace through grieving and healing. Designed for children and teens, ages 3 through 18, who have lost a loved one, groups are organized ac-

cording to the ages of the children and their developmental levels. A group for surviving parents or guardians is held concurrently. On-going grief support groups are held year-round and are facilitated by the program coordinator, certified social workers and trained volunteers.

Healing Hearts is funded in part by the Wireless Zone® for Giving and A

Little Hope, Inc. UHR support groups and bereavement programs are held in the Provident Bank Hope & Healing Center, 11 Stokum Lane (off South Main Street), New City and are supported in part by The Jeffrey David Walerstein Fund for Bereavement. Anyone who knows of a child or family who might benefit from this program is urged to call Sharami Kerr, Ph.D.

coordinator of the Healing Hearts Program, at (845) 634-4974.

Founded in 1988, United Hospice of Rockland is accredited by the Joint Commission on Accreditation of Healthcare Organizations and meets the Standards for Charity Accountability of the Better Business Bureau, Inc. Its mission is to enable patients with advanced illnesses to live in comfort,

with dignity, and surrounded by those they love. Hospice also serves as a community resource for bereavement support and information about end of life issues.
