### UHR receives grant from NYMEX

NEW CITY, NY—United Hospice of Rockland (UHR) Assistant Director of Development Lisa Denburg announced that United Hospice of Rockland recently received a grant in the amount of \$2,500 from the New York Mercantile Exchange (NYMEX) Charitable Foundation in

support of the fundraising campaign to build a Hospice Home.

The NYMEX Charitable Foundation was established in 1989 to coordinate the philanthropic efforts of the New York Mercantile Exchange. Through a dedicated committee, the Foundation brings together members and

staff of the Exchange who volunteer their time and positive intention to fund and serve the underprivileged, elderly and environment. The Children in Need Fund supports children's causes and provides opportunities for a better future.
